

# Wanted: Your Kindness and Compassion

## What Our Volunteers Say About Our Training

*“The team example and the information presented as part of the Hospice of Central Ohio volunteer training were great. I was prepared and confident as I started with my first patient visit. Being part of a team that is there for me when I have questions or need help is very assuring.”*

Join our vibrant, compassionate team in a role that best fits your skills and interests!

A completed volunteer application and initial interview are required prior to attending training.

- All sessions run from 6-8:30 pm.
